+ EDITOR'S CHOICE

"Punchy citrus, nectarine, lemongrass, river rock, and white flower aromas explode on the nose of this high elevation Chardonnay. The palate dances with lively acidity and energetic phenolic grip, fading into flavors of focused Meyer lemon, grilled Anjou pear, toasty hazelnut, a whisper of cinnamon, orange blossoms, and chopped lemon verbena along a mouthwatering finish. Stunning now, this will improve with patience." — T.R.C.
